"Hobey" Baker Must Do Work of Two Men When Princeton Tackles Dartmouth

Tiger Captain in Addition to Running Team Is Expected to Make Long Punts, Score Field Goals and a Few Other Things.

OACHES at Princeton have finally decided to let "Hobey" Baker do all the kicking Saturday in the Dartmouth game. This means that the ubiquitous young Tiger must lead his team, run back punts, help Streit to ad- to improve his punting vance the ball, do the punting and probably have a few trys at booting field goals. It's really a two-man job that Baker has been asked to do, but

Harry Vardon and Edward Ray, the English golfers, arrived in San Francisco last night and will play a series of matches this week at the San Francisco Golf and Country Club with "Jack" Neville, Parific coast champion, Vincent Whitney, formerly Pacific coast champion, and Chapin Tubbs, one-time titleholder of Vale. The games will be played on Thursday, Friday and Saturday.

Miss Gladys Ravenscroft of England, who wen the American championship last week, played over the Brookline Country Club course yesterday. In the morning she had a score of M for the round. This a very creditable performance for a woman considering the high wind the players had to contend with. Miss Havenscroft had Miss Harriet Curlis, had the best gross of the day with 168. For that matter her net of S was also the best, but she had to be content with the gross which left Mrs. Charles as a porturer sasins Miss Florence Harvey and Miss Margaret Curlis. In the afternoon round Miss Ravenscroft teamed with Miss Harveys against Miss Harriot Curtis and Miss Ravenscroft teamed with Miss Harveys against Miss Harriot Curtis and Miss Ravenscroft free prize in the approaching and putting contest.

Head Coaches Andrews and Humen-thal don't seem to be worrying about the outlook. They have supreme faith in Baker to hold his own with rival boor-ers, and they point to his pronounced improvement during the last week. The fob of doing all the ktriing fell to Baker's share because Law, the best punter in the Tiger squad, seriously in-jured his foot and will be out of the game several weeks.

Baker's first trials at punting were for from encouraging. He drove the pix-
